

YOUTHPOWER

ENERGY CAMP

May 30 - June 2
Canyon Camp

Do you have what it takes to be a leader?

Your rural electric cooperative thinks you do! In fact, they're so sure of it that they're offering a camp designed to help you develop your leadership skills, have summertime fun, and, at the same time, learn about one of this country's most important industries...rural electrification.

Best of all, they've made it the experience of a lifetime.

Join us at Canyon Camp near the beautiful Red Rock Canyon, where you'll experience first hand the exciting world of rural electricity: watch safety demonstrations, climb a pole, watch a co-op crew at work, as well as having

An experience in leadership -
An experience with energy -
THE experience of a lifetime!

LOTS of camp fun like swimming, ropes course, putt-putt golf and a trip to Celebration Station. Plus, you'll sharpen your leadership skills by working with newfound friends from every corner of the state as you set up and run your own cooperative business.

It's educational and it's fun!

As one of the outstanding young people selected by your Cooperative to participate in the 2013 "YOUTHPOWER" Energy Camp, you'll spend the week enjoying the pleasures the Devil's Canyon area offers -- from volleyball to swimming and from hiking to our "No Brains Olympic Games"! Best of all, you'll make friendships that will last a lifetime!

See you at camp!

Some, but not all of the camp HIGHLIGHTS:

- Swim Parties!

- Form and operate a co-op - business and pleasure CAN mix

- Campaign for office

- Elect a board, hire a manager - democracy at work

- Nature hikes

- Energy Battle Trivia

- High voltage demonstration (something to spark your interest)

- No Brains Olympics Games

- Camp Surprises Perhaps

- Climb a pole, ride a bucket truck! - where the action is

- Master the challenges of a low ropes course

- Group picture - show us those pearly whites!

- Dance - show us how you get down with your bad self!

SEE YOU AT CAMP!
